

REMARKS

This application is the entry into the national phase in the United States concerning International Application Serial No. PCT/GB2004/002718 that application was filed with a number of multiply dependent claims. In fact, some of the multiply dependent claims are themselves dependent from other multiply dependent claims. As such a claim structure is not allowed in the United States, applicant takes this opportunity to remove all multiple dependencies from the claims.

Prompt and favorable examination of claims 1-13 is respectfully requested.

Respectfully submitted,
